

EMERGENCY SERVICES 999 DISCOUNT

Widely regarded as the UK's No. 1 Safari Park, Longleat is just getting better and better!

And, 2011 looks set to be one of the best years yet as new attractions, new animals, new shows and more are all planned for the season ahead.

NEW! EXPLORE JUNGLE KINGDOM...

Go walkabout in the UK's first walkthrough meerkat enclosure, hand feed the Rainbow Lorikeets in the Lorikeet Feeding Station and enjoy the antics of the monkeys in Monkey Temple! This new multi million pound attraction will allow you close access to a whole range of exciting new animals and give you fascinating facts about their lives – did you know that a giant anteater can eat up to 30,000 insects in a single day?!

THE MONKEY 'DRIVE-THRU' IS BACK!...

The Longleat monkeys are one of the Safari Park's most memorable experiences! Now they're back and ready to cause monkey mayhem all over again!

NEW! PARKLAND DEER FEEDING...

Feeding the deer is one of the most popular activities at Longleat Safari & Adventure Park and now there's a brand new special on-foot deer feeding experience. At Deer Valley all the family can get right up close to our herd of friendly fallow deer. You'll be astounded at how they take food straight from your hand.

NEW! HUNTERS OF THE SKY...

See a falcon stoop at over 100 mph, feel vultures swoop over your heads, marvel at our 'carousel of kites' and witness the sheer spectacle of the majestic eagle taking flight. Experience the excitement of some of the world's top predators as they take to the skies in 'Hunters of the Sky', daily shows brought to you by the Hawk Conservancy Trust... opens later this year!

TO CLAIM YOUR VOUCHER...

To celebrate our association with the Emergency Services, we are offering you the opportunity to **SAVE! SAVE! SAVE!**
